## The Wednesday Walk on Thursdays

### Walk 33 – Spider Park – 2.5 miles – hilly, road walk

Does anybody know where Spider Park is? I know of 2 of them, and this is not the one near Redmires.

From the stadium, cross the road and walk right up Wadsley Lane and Laird Road to Wisewood Leisure Centre. Turn left onto Rural Lane then left onto Ben Lane before crossing the road and going down Sevenfields Lane – and there in front of you is Spider Park!

You can explore the park (it will take you about 2 minutes) before leaving through the jinnel onto Dial House Road. Turn left, then right, then left, then right, then left, then straight down Findon Street till you reach Dykes Hall Road. Turn left then right into Dykes Hall Gardens, and left at the branch. Find the cut through to Leader Court and cross Leader Road to find the gap between two houses which takes you through to Wynard Road. Turn right and walk back to the stadium through Hillsborough Park (which is a bit bigger than Spider Park!)

Risks: Walking beside and crossing several major roads – walkers should take care.
