

# Step Out at SWFC

## The Wednesday Walk on Thursdays

### Walk 35 – Lidl and Meynell – 2.8 miles – road walk

A road walk, so no mud but still some hills.

From the stadium, head towards Wadsley Bridge, either straight up Penistone Road or via Leppings Lane. Cross Clay Wheels Lane and pass Sainsbury's and the old chapel of rest.

At the traffic lights bear left then first right and first left, or go up Halifax Road then first left and first right – in either case bear right on Heath Road. Turn left up Farnley Avenue then right, left and right again onto Carrville Road. Turn right onto Lyminster Road and follow round to Halifax Road.

Cross Halifax Road with care and head up Doe Royd Lane then right, down Meynell Road and right onto Southey Green Road. Follow down past the shops, go in front of the flower shop and cut through to the Binsteds – the following is copied from walk 20:

Go across the car park, down the jinnel to Binstead Ave and follow it to its end, crossing Binstead Crescent straight into Binstead Grove. When you reach it, turn right into Binstead Glade and then left into Binstead Way, passing Binstead Croft. Watch out for the footpath on the right – if you get to Binstead Gardens you've gone too far (somebody had very little imagination naming these streets!)

We've been over this bridge before – just follow your nose back to the stadium.

Risks:

- Walking beside and crossing several major roads – take care and use crossings where available.
- Steep descent
- Fly tipping
