

# Step Out at SWFC

## The Wednesday Walk on Thursdays

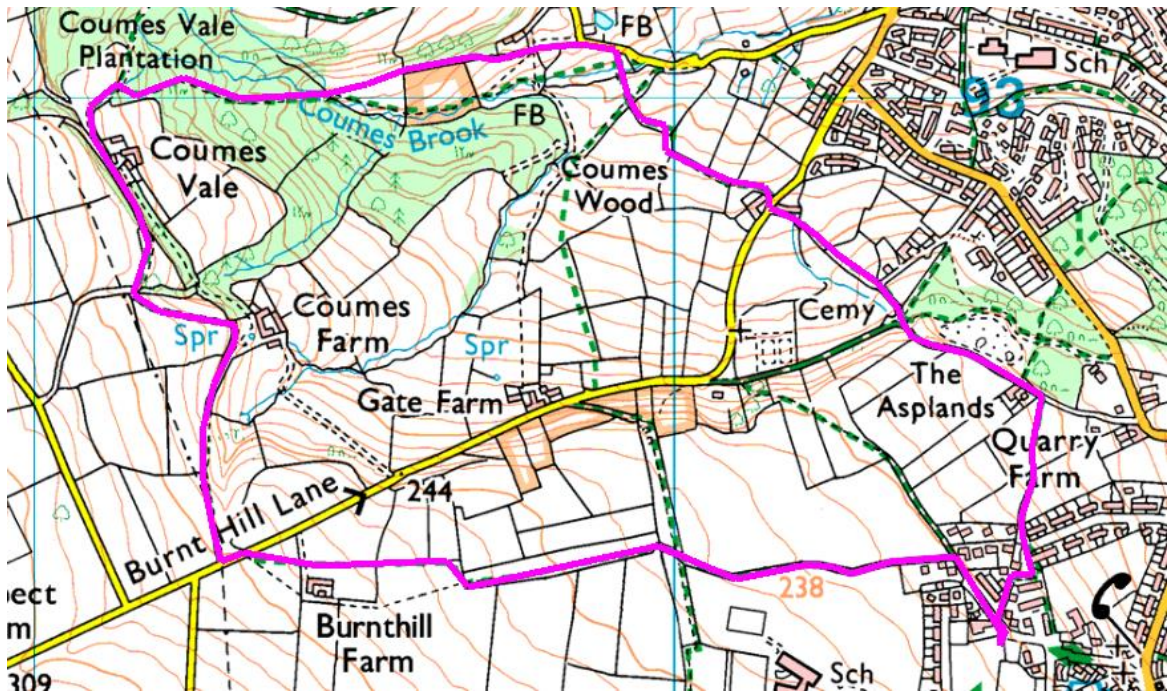

### 38 – Worrall to Coumes Vale – 2.8 miles

Not quite as long this week, but more climb. A drop down into the valley followed by a steady climb through the woods and a downhill bit to finish, we start in the Sycamore Park car park beside Worrall Memorial Hall. (Go along Worrall Road into Worrall, past the Blue Ball, turn left then right at the end).

Anticlockwise

From the car park, turn left then take the path on the right (through the barriers) down to Walshaw Road. Turn left at the T then straight on along the footpath. Pause at the well, then on to Boggard Lane.

Turn left and follow the lane down the hill. Where the lane turns left, go straight on down the unmarked footpath and through the gate into somebody's garden, then out onto Burnt Hill Lane. Across the road and a bit downhill is another stile (this time with a signpost) into another garden, and out the other side. Head towards the right hand tree then keep the wall beyond on your left till you get to the stile, then straight on (bearing slightly right) to the road. Turn left up the road and as it bends right, find the footpath on the left. Follow this up through the woods till you reach another path at a T, turn left and along past Coumes Vale. As the track bears right, turn left and follow the path past Coumes Farm and out onto Burnt Hill Lane.

Turn left and almost immediately right, across the field and the drive, then a few more fields back to Worrall.

#### Risks

- No major roads, but watch out for traffic on the narrow lanes.
- A few stiles (with steps)
- Footpaths (mud, slipping, tree roots, steps, etc).
- Common dog walking area
