The Wednesday Walk on Thursdays

55 – Roe Wood – 3.1 miles

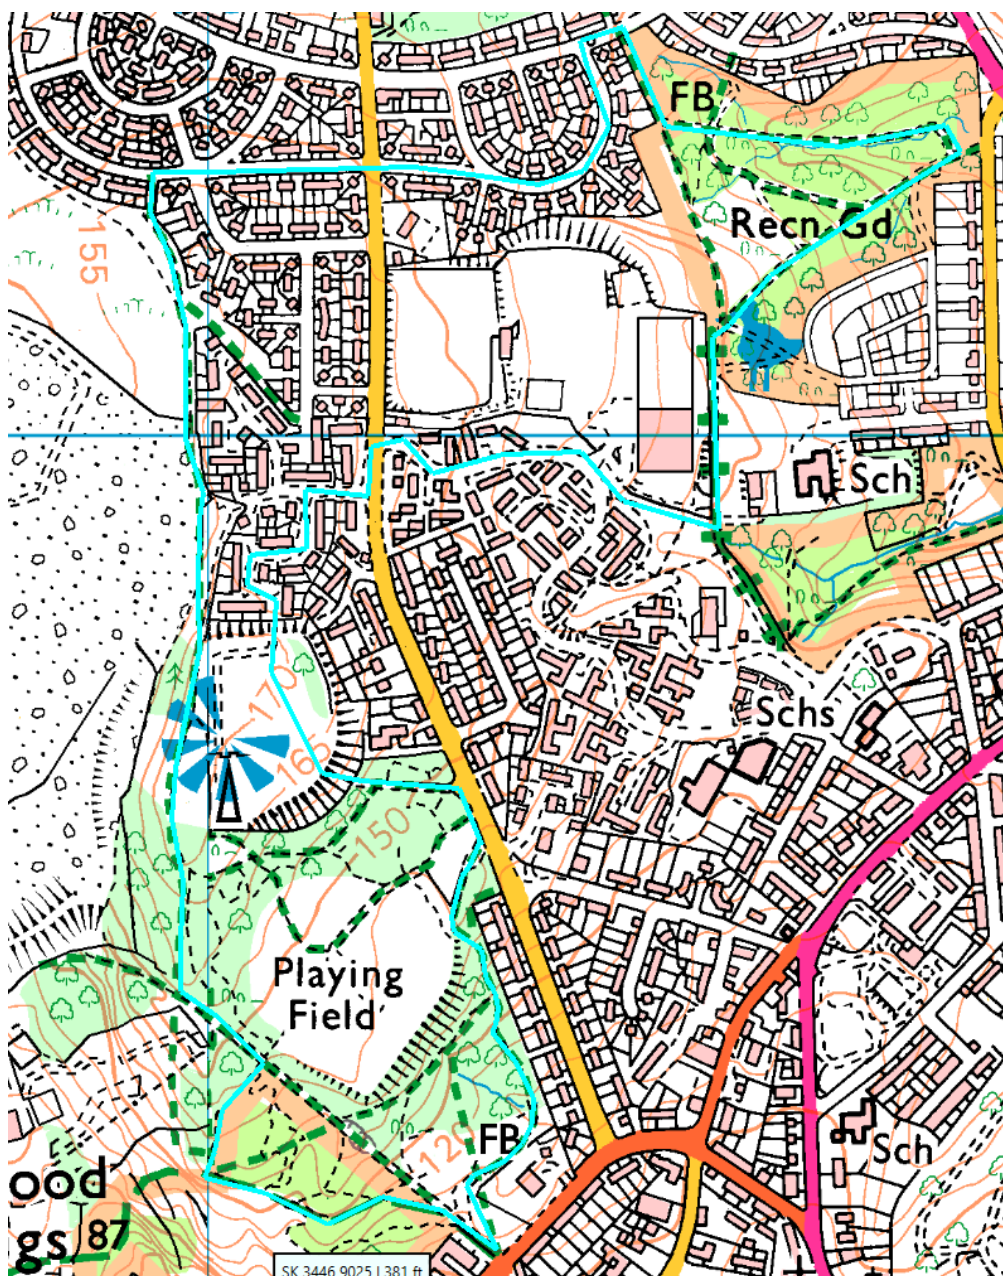

This walk is a bit closer to home. Starting at Parkwood Springs, we walk down to Roe Wood and back round Musgrave Crescent before entering Parkwood Springs to admire the views. Park at the pull-in on Shirecliffe Road beside the main entrance to Parkwood Springs (or on the road if this is full).

Anticlockwise

From the road, head into Parkwood Springs past the old pear orchard and straight up the bank to the playing fields. Cross the pitch, bearing to the right of the trees to hit the track, then turn right and join Standish Bank. Follow this to Standish Way, turn right and cross Shirecliffe Road (carefully), then turn left and right into Firshill Crescent.

Follow round to the main entrance to the Academy then straight on down the track and left at the end, before the school. When you enter the wood, take a path on the right and as you approach the road, turn left to head towards Norwood Avenue.

As you come out to the road, turn left then left again onto Musgrave Crescent then 3rd left to Musgrave Road. Cross Shirecliffe Road and carry on along Musgrave Road, past Miles Road then turn left on the path into Parkwood Springs.

Bear left between the landfill and the houses, back to the top of the playing field we crossed to start with, then choose your own path back to the cars, depending on how rushed we are.

Risks

A bit of road walking on minor roads, so watch out for traffic and keep to the pavements. Take care crossing Shirecliffe Road as it can be busy.

No stiles!

Footpaths (mud, slipping, tree roots, steps, etc).

Some walking across grass (which may be slippery if wet)
