

# Step Out at SWFC

## The Wednesday Walk on Thursdays

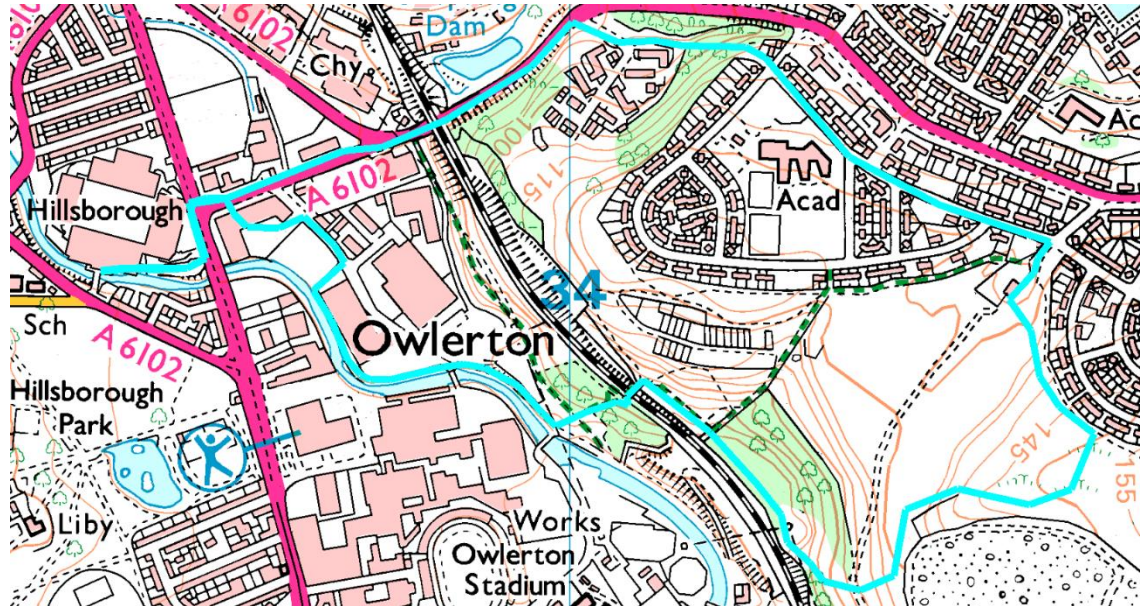

### 71 – Landfill Reversed – 2.8 miles

This is a reverse of the walk last month, to find out where we should have gone.

Anticlockwise

From the Stadium, head up Herries Road but cross over and go through the trading estate onto Rawson Spring Rd. Turn right then after Hardcore, turn right again onto the footpath and follow it along beside the river to the blue bridge at Wardsend Cemetery.

(if this footpath is closed, go back along Rawson Spring Rd, turn right and then take the footpath just before the arches to Wardsend Cemetery.)

Head up through the cemetery, over the bridge and immediately turn right (a bit downhill) beside the railway. Follow the railway until you go under a pylon, then bear left, up the hill, cross the road and keep on towards the fence. Follow the path left and around up the hill, through the trees to the top of the hill. Turn left and cross to the path back down the hill towards the HWRC (the tip) and walk round the right of the fence, out onto Longley Ave.

Turn left, follow the road past the academy and cross Penrith Rd to walk down the footpath to Scraith Wood Dr and out to Herries Road.

Turn left onto Herries Road, and you should know the way from here!

#### Risks

Crossing Penistone Road. If you use the crossing, you end up on the wrong side of Herries Road so be careful crossing that as well!

Footpaths (mud, slipping, tree roots, steps, etc)

Steep climb and descents.
