The Wednesday Walk on Thursdays

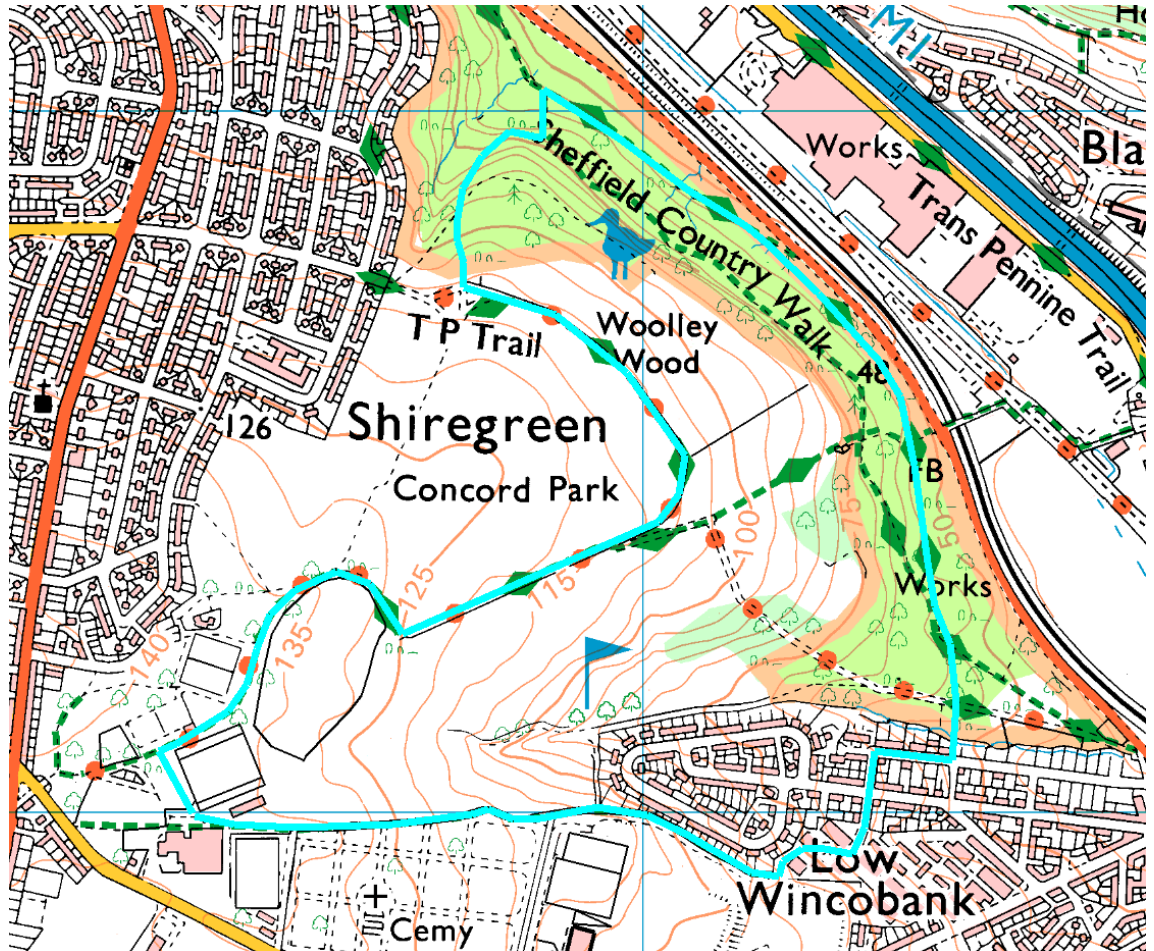

82 – Concord and Woolley Wood – 2.7 miles

Starting from the Move-More car park behind Concord Sports Centre, we head down to the South end of Woolley Wood and walk most of its length before following the Trans Pennine Trail back up the hill.

Anticlockwise

Route Description –
From the car park, go to the right of the golf club and follow the path between the golf course and the cemetery. Pass the school, then when you come to the flats, turn left and down the hill to go round the end or through between the flats, onto Stanwell Close.

Turn onto Stanwell Street and follow onto Woodbury Road. Follow round to the right, then find the footpath between the houses on the left.

Go into the wood and keep to the most level route – they all get you to the same place, but some can be a bit muddy. Eventually you should see the road on your right, so watch out for a path on your left. Go up the steps, at the T, turn right and go on up the steps to eventually emerge into the lower car park.

From here there is a choice of nice tarmac paths, the faster walkers should take the one on the left (as shown on the map), slower walkers might prefer to go straight ahead, or you can walk across the grass if you want.

Risks

- Tree roots, etc.; Paths may be muddy or slippery with wet leaves.
- Popular dog walking route (and not all owners are responsible)
- Joggers and occasional cyclists
- No major roads to cross, but watch out for traffic on the side roads
