

Step Out at SWFC

The Wednesday Walk on Thursdays

88 – Greno Wood and Hollow Farm – 2.8 miles

A walk for a windy day! From Greno Wood Carpark, we head in a big circle through the woods before walking down the exposed hillside (so you can appreciate the rest of the walk) and back through Wharnecliffe Wood.

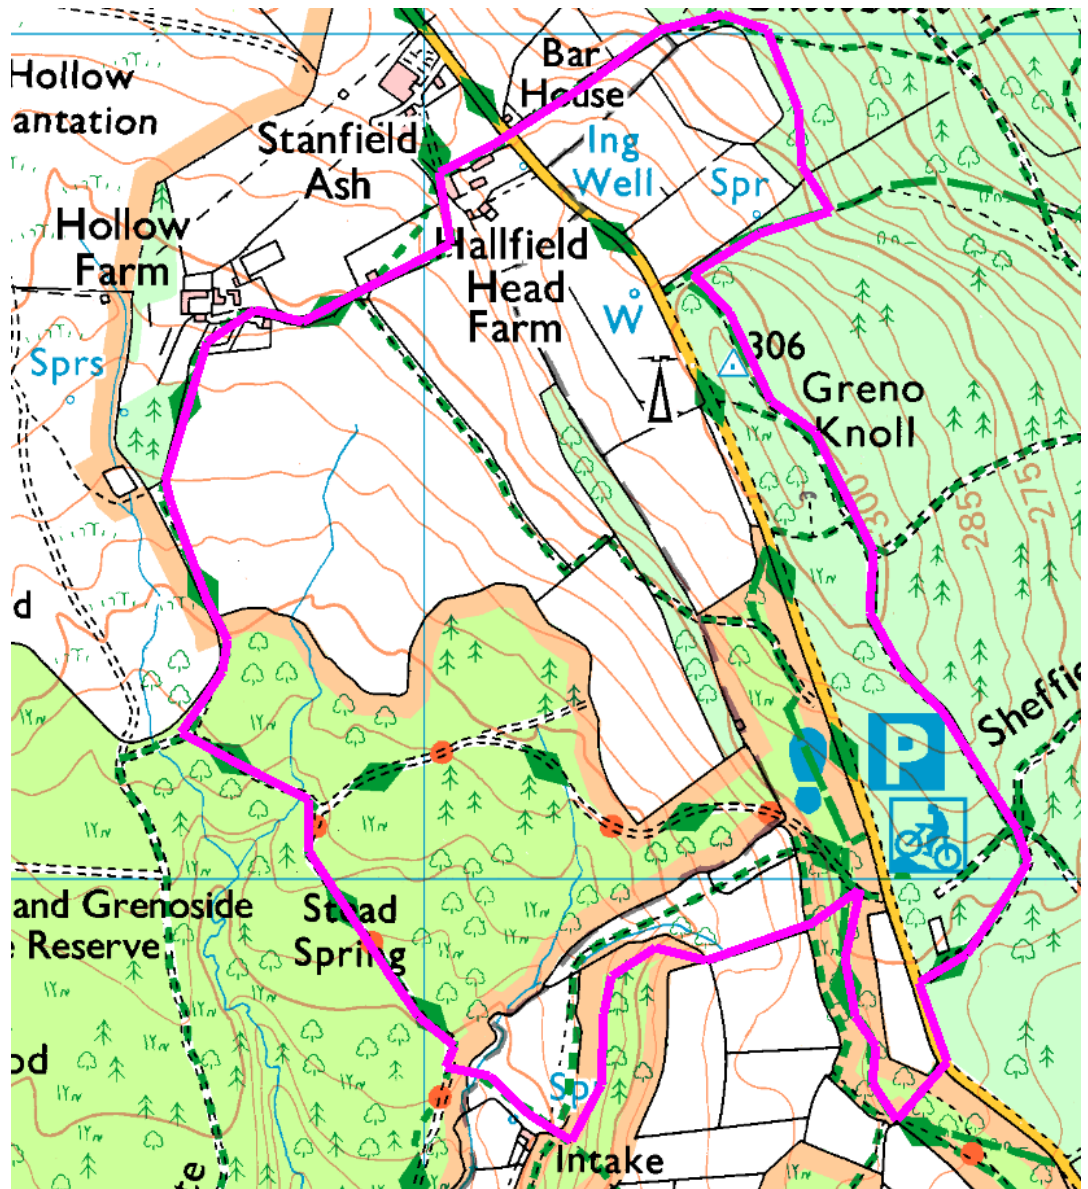

Anticlockwise

From the car park, head South (towards Grenoside) then at the first crossroads, turn left and follow the track out to the road. Turn left and follow the road (crossing when it is safe) for a few yards before turning right past the log piles (if they are still there) and follow the track as it bears left.

Follow the main track, roughly parallel with the road, to the end and then turn right, down the hill for a hundred yards till you see a path on the left which follows the wall. Bear left and come out of the wood on a cart track which leads up the hill to Bar House. Cross the road and take the footpath straight ahead, past Hallfield Head Farm, over a stile and onto a track.

Turn left and follow the track round and down to Hollow Farm, then take the footpath on the left round the side of the field.

Re-enter the wood and keep on the track, turning left at the T and right at the next junction, heading down the hill. (for a shorter walk, you can turn left here which takes you straight back to the car park). At the bottom of the hill, turn right and then take the footbridge over the stream. Cross the field and go into the woods, turn left and follow the path to the top corner of the wood. Follow the path up the side of the field, over the wall and straight up the bank, back to the carpark.

Risks:

- Only one road to cross twice (and walk beside for a short distance) but it can be busy – please be careful.
- Forest trails, watch out for cyclists and joggers.
- Footpaths – dogs, tree roots, etc. Mud, wet leaves, slippery if wet.
- Stiles, some with steps – please help each other on the more awkward ones!
