The Wednesday Walk on Thursdays

93 – Onesmoor – 2.5 miles

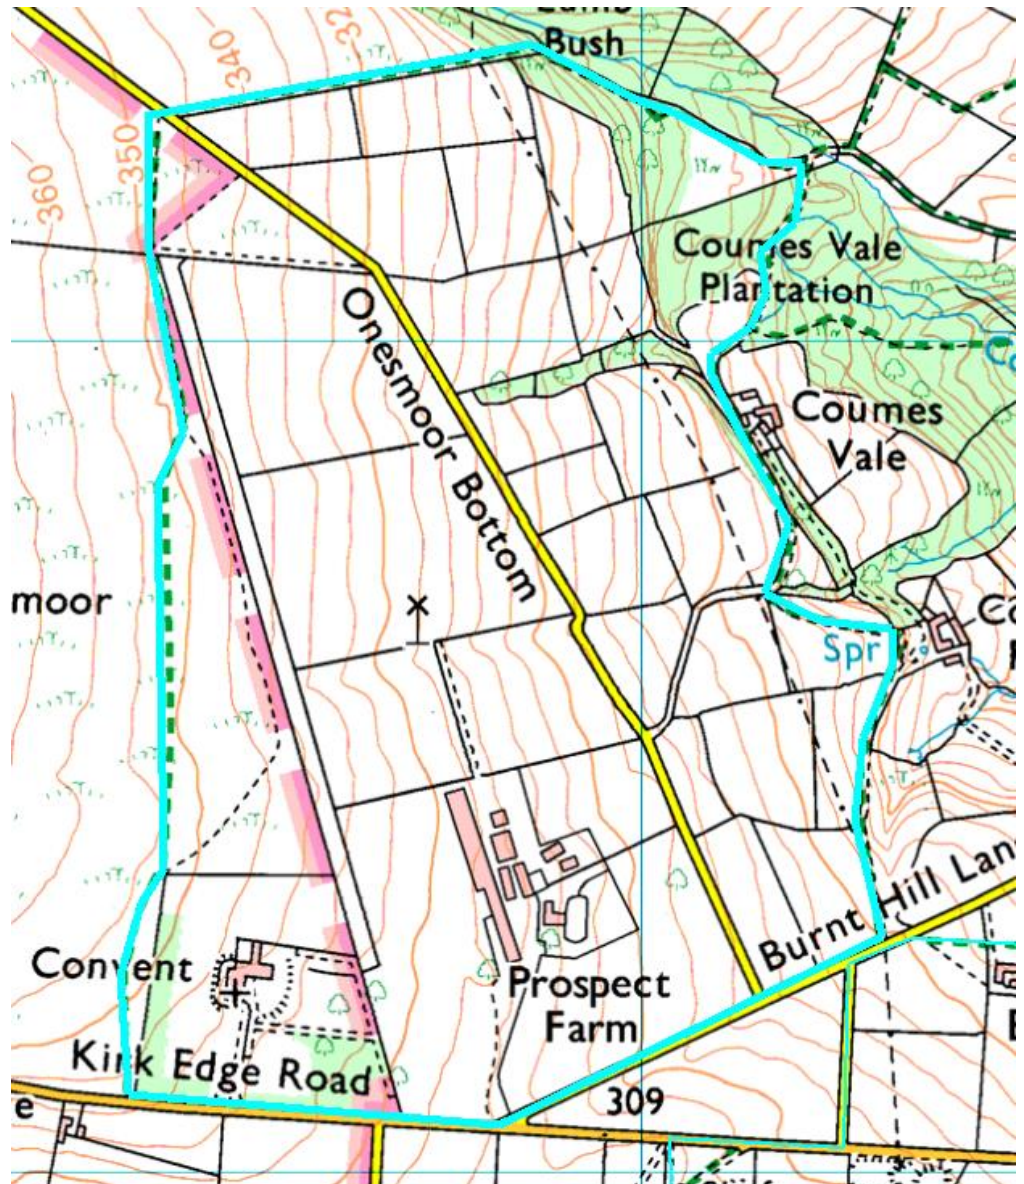

A slightly shorter walk, past a convent and through a wood. Starting from Kirk Edge Road, up past the convent, we go through Coumes Vale and cross Onesmoor Bottom before crossing Onesmoor itself.

Anticlockwise

After parking at the side of the road, walk back down the hill, past the entrance to the convent and the farm track, then bear left down Burnt Hill Lane. Pass the end of Onesmoor Bottom and Coal Pit Lane, then turn left beside the bench down the track towards Coumes Farm. Near the farm, bear left, up the hill and at the junction turn right towards Coumes Vale.

At Coumes Vale take the footpath on the left and follow round the edge of the field and into the trees, keep straight on till you get to the footbridge over Coumes Brook, then turn left (before the bridge) and climb up, following a wall, cross a stile and climb some steps till you come out into a field at the top of the woods.

Head straight up the side of the field keeping the wall on your left, cross a stile onto Onesmoor Bottom and another stile out again. Cross a field, over a stile, onto Onesmoor (which is just a big field), then straight on to Kirk Edge Road and the cars.

Risks

Quite a long bit of road to start with, watch out for cars and possibly some big lorries.

A few stiles (6 or 7)

Footpaths (mud, slipping, tree roots, steps, etc) and possibly wet grass.
